

GUINNESS REJECTION 10th October 2001

Thank you for your e mail.

Unfortunately, we would not be interested in a record for the most diverse salad. I recommend that you choose a salad of some particular variety and attempt the largest salad of its kind.

Please contact us again if you have any further ideas.

We look forward to hearing from you.

Kind Regards

Dear Stephen,

Thank you for your recent inquiry.

It appears that your record suggestion doesn't fit into one of our existing categories. I have passed your message to our Records Research Department for them to determine whether it is suitable for a new GUINNESS WORLD RECORDS category.

They will contact you as soon as possible with their decision. We ask that you please be patient as they have a slight backlog to clear first and it may be a few weeks before you hear from us.

For future correspondence, your reference numbers are:

Claim ID - 7376

Claimant ID - 6636

Thank you for contacting GUINNESS WORLD RECORDS, if you require further information on claims, attempts or current records please contact us again or check out our website (www.guinnessworldrecords.com).

Kind regards,

for Kim Goodwin
